Congress Organizer

Available at the Service Desk (Centro Servizi) during the following days and hours:

October 1, 2015 from 14.00 to 19.00

October 2, 2015 from 8.30

Certificate of attendance

At the end of the course a certificate of attendance will be given.

The certificate with the course credits will be sent directly to the attendee after the learning test and signatures' control (taking into consideration entrance and exit hours).

Variations

The Scientific Committee and the Congress Organizer reserve themselves the right to modify the program whenever necessary for technical and/or scientific reasons.

OBJECTIVES AND CONTENTS

The congress offers an occasion of updating and discussing about the state of art regarding the role of elements traced in human as well as animal health, referring especially to some nutritional and toxicologic problems particularly present today.

METODOLOGIES

This residential formative event consists of presentations regarding preset topic and discussions/debates with experts.

A session dedicated to the oral presentations/posters of scientific works selected by the Scientific Coordinators will be provided as well.

SOCIAL EVENTS

Detailed information will be found on the websites and sent to participants by e-mail.
